JUDGMENT

Petitioner is a member in a firm of Lawyers situated in Banerjee Road, Ernakulam. Complaint is levelled against the negligent attitude of respondents 1 & 2 in not maintaining the latrine/urine shed in a clean and hygienic way. It is stated that the public as well as the petitioner find it impossible to move around without closing their eyes and nose. Petitioner has produced Ext.P1 photographs to substantiate the contention and filed Ext.P2 representation which has not evoked any response. Heard the learned standing counsel appearing for the respondent Corporation also. He would submit that the complaint of the petitioner will be attended to and cleaning will be done twice a day i.e. in the morning and in the evening. To ensure that it is done, it is further submitted that the matter will be got confirmed by keeping an inspection book which will be maintained by the respondent Corporation in the office of the petitioner and the

factum of maintenance can be confirmed by the petitioner. Recording these submissions, the Writ Petition is disposed of.
